

**EUROPEAN TENPIN
BOWLING FEDERATION**

CERTIFIED BOWLING CENTRE

This certificate is issued to

Bowling Zone, Czech Republic

upon finding at an inspection by an authorized ETBF Technical Delegate that
the bowling lanes **01** through **18** meet all requirements
according to the equipment chapters of the current issue of the World Bowling Playing Rules.
Accordingly the bowling center is considered technically capable of hosting
ETBF championships, EBT tournaments, and other international tenpin bowling tournaments.

By accepting and displaying this certificate the owner of the establishment guarantees that
the maintenance of the lanes and the associated equipment is done in a way to keep everything
within acceptable limits during the time the certificate is in effect. This certificate, unless cancelled,
suspended or revoked, shall be in effect as of the date of issuance

until October 02, 2020

Addie Ophelders
